

Summer Project 2019

Subject: BTEC Creative Media (TV & Film)

Teacher: Richard Harrison

Purpose of your Summer Project: *The purpose of this Summer Project is to allow you to showcase your individual passions and enthusiasms in Media, specifically related to film.*

Tasks/Activities:

1) Write a piece (500-700 words) about either a director OR a film star whose life/career you find interesting. The director/ film star can be from any country and any time period.

AND

2) Identify 3 good sources of information about your director/ star, and list them. These sources may be websites, books, magazines or documentaries. Briefly explain why the source you have found would be useful to you if you were to write a more detailed piece.

Example:

Task One

Alfred Hitchcock (1899-1980)

You would write 500-700 words explaining why you find this director interesting.

Task Two

Source #1) 'Hitchcock on Hitchcock' (book edited by Sidney Gottlieb, 1997)

This is useful because it is Hitchcock's own opinions on his films and work. That means it is first hand and probably more accurate.

Source #2) https://the.hitchcock.zone/wiki/Main_Page

This website is useful because it is very detailed and contains a lot of varied information.

Source #3) https://en.wikiquote.org/wiki/Alfred_Hitchcock

This webpage is useful because it contains quotations that Hitchcock actually said.
