

FORENSIC SCIENCE – SUMMER PROJECT 2019

Research a famous serial killer.

You must produce a criminal profile, including as many details about them, their past and their crimes!

You must bring this to the first lesson and be ready to play the role of criminal profiler, briefing the class on your serial killer!

If you have any questions just email z.ablett@lowestoftsfc.ac.uk or a.coote@lowestoftsfc.ac.uk
