We are a high-achieving college offering an excellent student experience. Our students **STANDOUT**. In 2019, 99% of our A Level students passed their exams, with 74% achieving A\*- C grades. Our BTEC students did equally well, with 100% passing their Diploma course. Additionally, we have recently been rated among the top 25% of colleges in the country for student progress, according to national data.

We are extremely proud to say that, according to the Department for Education's performance tables, Lowestoft Sixth Form College is **one of the top 3 performing sixth form colleges in England for A Level and BTEC performance, and the top performing sixth form college in the east of England.**
